Exchange opportunities at ISAE-SUPAERO Engineering program

NON-DEGREE EXCHANGE

It is not possible to mix courses from different years (typically, your learning agreement can't include courses from both the 2nd and 3rd year).

Admission to the 2nd-year (equivalent to Master's 1st year)

- ⇒ One semester (semesters 3 or 4) or Full academic year
- ⇒ You must have completed at least 3 years (180 ECTS in Europe) of higher education in your university.
- Academic program available on our website (blue box, right-hand side "Catalogue d'enseignement 2A")
- ⇒ The 4 electives courses (Semester 4) will be chosen later during the academic year.

Admission to the 3rd-year (equivalent to Master's 2nd year)

- ⇒ One semester (semester 5) or Full academic year**
- ⇒ You must have completed at least 4 years (240 ECTS in Europe) of higher education in your university
- ⇒ Academic program available on our website (blue box, right-hand side "Catalogue d'enseignement 3A")
- ⇒ You have to choose 1 multidisciplinay field (so-called "domaine" in French) and 1 major (so-called "filière" in French). It is not possible to mix courses from different multidisciplinary fields. Nor it is allowed to mix courses from two or several majors.
- At the time of applying, you will be requested to select **3 fields** and **3 majors** (rank them by preference). The number of students per field (resp. major) is limited. The admission committee will decide which field and major you are allowed to perform or not.
- ★* The internship (so-called the "End of Study Internship") is scheduled at semester 6. If you want to spend the whole year (S5 and S6), you have to register for the DES Diploma [Diploma of Higher education]

DES DIPLOMA

- Non degree exchange students can register for the Diploma of Higher Education (DES Diploma) proposed by ISAE-SUPAERO
- ► Dedicated to students from partner universities admitted to the ISAE-SUPAERO 3rd year engineering program (semesters 5 and 6)
- ► Not compatible with the Erasmus+ student status

Additional services offered to students registered to the DES Diploma:

- ✓ 3 or 4-week intensive language course in august
- ✔ Proofreading of your resume and other benefits from our Career center
- ✔ Possibility to register to additional trainings (attested by a certificate) scheduled in April and May of the relevant academic year
- ✔ Possibility to register to a research master taught in parallel to the 3rd year curriculum

2024/2025 Tuition fees: EU students: 2 881 € / Non-EU students : 4 939 €

DOUBLE DEGREE

Admission to the 2nd-year (equivalent to Master's 1st year)

- ⇒ You must have completed at least 4 years (240 ECTS in Europe) of higher education in your university.
- ⇒ All the courses are mandatory (2nd and 3rd years).
- Academic programs available on <u>our website</u> (blue box, right-hand side "Catalogues d'enseignement").

How to apply?

- Students must be nominated by their home university.
- ▶ ISAE-SUPAERO doesn't accept free mover applications. Applying as an exchange student is possible if your home university and ISAE-SUPAERO have signed an Erasmus+ agreement or/and a bilateral or double degree agreement.
- Nominated students receive by email the application instructions and the link to the online application form.

Application deadlines

For **Double Degree** students 15 October or 15 April

For Autumn Semester [= semesters 3 & 5] or full academic year 15 April

For **Spring Semester** [= semester 4] 15 October

Required documents

- **Application Form**
- Motivation Letter in French
- Resume in French
- Copy of the last diploma

- Transcript of Records from all previous higher education study years
- French level certificate (optionnal during application)

Language of instruction and requirements

- Our engineering program is fully taught in French
- French B1 (CEFR) is <u>required</u>. A certificate is mandatory following the admission.
- French intensive courses are offered in August for double degree and DES diploma students.
- Regular French courses are organized during the academic year.
